

Policy: AD-07-11

Policy Title: Use of Recycled or Reclaimed Products

Policy Purpose: Purpose is to encourage buying products manufactured from recycled materials and using recyclable products when such products are available.

Implementation Date: 3/29/2007

Revision Date: N/A

**TOWN OF WESTFIELD
PUBLIC WORKS DEPARTMENT**

USE OF RECYCLED OR RECLAIMED PRODUCTS

This policy defines that the Westfield Public Works Department (WPWD) encourages the buying of products manufactured from recycled materials and using recyclable products when such products are available.

Additionally, the WPWD will recycle and properly dispose of products when such opportunities are available to recycle.

Therefore, this policy sets an example for others by raising public awareness, and support for the use of recycled products and concern for the environment.

A handwritten signature in black ink, appearing to read 'B. Hauk', with a large, sweeping loop at the end.

Bruce A. Hauk, Director
Westfield Public Works Department
